

Item no.: 389908

OSB48S-A - Opt.splice box up to 48 SC-SimplexLC-Duplex connectors

from **129,18 EUR**

Item no.: 389908
shipping weight: 1.00 kg
Manufacturer: Televes

Product Description

Optical splice box Up to 48 socket-to-socket adapters, ABS Professional distribution point for fibre optic cables. Often used in FTTH projects to simplify the connection between the user's network and the operator's network. Allows multiple cabinets to be stacked vertically while still allowing connection between them. The vertically stackable design with direct communication between the enclosures provides the necessary flexibility to expand services according to the specific requirements of each installation. Independent compartments with door and lock, separated by a panel with up to 48 SC simplex or LC duplex adapters. The enclosure is made of ABS plastic, which gives it high durability and low weight. The 6 stackable fibre trays provide space for up to 8 splices so that the fibres can be kept organised and at a distance, making work inside the enclosure much easier. Art.Nr OSB48S-A Product data Ref.Nr.: 233004 EAN13: 8424450300817 Highlights-Constructed from high-strength ABS-Easy expansion: the enclosure can be stacked vertically with similar boxes, creating a higher capacity enclosure-Comfortable working environment, thanks to the presence of storage compartments on the left door, which allows working with the fibres on a horizontal surface-Equipped with 6 independent, hinged fibre optic cassettes (book format), with sufficient storage space for up to 8 splices each-Equipped with 4 metal anchors to hold the main core elements, as provided by the fibre optic cables-Dust protection brush, cable grommets at the top and bottom, for the passage of the connecting fibre to the enclosures or for operator access (up to 59x28 mm capacity)-Equipped with 3 rubbers for 4 fibre accesses from the side-Adhesive label on the door to identify each connector with the corresponding flat-Grey (RAL 7035)-Dimensions (W x H x D): 478mm x 180mm x 151mm
