

Item no.: 389910

OSCAPC1 - Pigtail patch cable SM 1m LSFH indoor SCAPC (900m)

from **9,92 EUR**

Item no.: 389910
shipping weight: 0.10 kg
Manufacturer: Teledesic

Product Description

Single-mode (SM) fibre optic pigtail patch cable. One end is pre-assembled with an SC/APC connector, the other end is without a connector. This allows the pigtail to be easily connected to a fibre optic cable. The 900µm sleeve is of the LSFH type and is recommended for indoor use. The cable is fitted with a short sleeve at one end, which facilitates installation in flush-mounted junction boxes and prevents attenuation increases due to unwanted bending. In addition, the short sleeve makes it easier to insert the patch cable into the empty conduits, reduces the space required for the connection and the bending radius is smaller. Highlights- Glass fibre type ITU-T G.657.A2- LSFH jacket, white- SC/APC connections- 1m long Technical data Fibre types - Single mode (ITU-T-G.657A2)##- OS1 Fibre core diameter- 9µm Fibre cladding diameter- 125µm Cable structure - fixed core Outer jacket diameter - 900µm Outer jacket material- LSFH Attenuation 1310nm Max- dB/km 0,5 Attenuation 1490nm Max- dB/km 0,5 Attenuation 1550nm Max- dB/km 0,5 Max. Insertion loss - dB 0,5 Return loss Min - dB 60 Optical connection type- SC Section type (optical connection) - APC Operating temperature - °C -20 ... 70
