

Item no.: 389680

ODMK - Fibre optic attenuation measurement kit, level meter, MM SM light source

from **1.175,26 EUR**

Item no.: 389680
shipping weight: 1.80 kg
Manufacturer: Televes

Product Description

A measurement of the fibre optic connection must be carried out both after installation, before commissioning and during operation in order to function smoothly. The ODMK MESSKIT is equipped for all applications. Highlights- Qualitative attenuation measurement: For a wide range of applications for LAN, WAN, FTTx and more. All common wavelengths (850, 1300, 1310, 1490, 1550, 1625nm) are supported and the results document the quality of the fibre optic link- Simple operation: The self-explanatory operation and easy-to-read display make attenuation measurements child's play- One level meter for everything: Thanks to the level meter's support of six common wavelengths (SM/MM), it can be easily combined with the two high-performance light sources Physical data- Net weight: 1.800 g- Gross weight: 1,800 g- Width: 101 mm- Height: 152 mm- Depth: 36 mm- Main product weight: 300 g
