

Item no.: 390118

WR60 - Thermostat for MSR-L600 and MSR-L800 fan for 19" enclosure

from **29,87 EUR**

Item no.: 390118
shipping weight: 0.10 kg
Manufacturer: Teledesic

Product Description

Temperature controller N/O contact (NO) 0...60° for rack 19" Contactless thermostat for temperature control inside the racks. If the temperature exceeds a certain threshold value (adjustable), the thermostat contact closes and activates the ventilation elements connected to it. The installation of a thermostat improves energy efficiency, as the fans are only activated when required. This avoids unnecessary consumption and increases the service life of the ventilation system by shortening the operating time. Product data- Ref. no.: 533005- EAN13: 8424450240281 Highlights- Normally open contact. The contact closes when a certain temperature is reached, letting the current through and thus activating the connected elements- Easy mounting: Clip system with 4 feet, easy to mount and dismount. Suitable for 35mm DIN rail, EN 60715- Wide temperature control range from 0 to 60°C- Made of ABS V0 (S / UL94) flame retardant and high impact resistant plastic. Protection class IP20- High service life, more than 100,000 cycles Physical data- Net weight: 45g- Gross weight: 45g- Width: 34mm- Height: 62mm- Depth: 45mm- Main product weight: 45g
