from **11,80 EUR**

Item no.: 389629
shipping weight: 0.10 kg
Manufacturer: Televes

Product Description

Surface-mounted frame for Keystone surface-mounted junction box (art. no. TC26AUP and TC16AUP)The design enables installation on the wall so that no construction work is required. The termination unit provides protection against scratches and knocks, both for the internal elements and for the plug and cable, as they are positioned parallel to the wall. This also means a reduction in the space required for the connection, resulting in a more discreet appearance in the socket outlet. Its format allows it to be installed as a connection point in various spaces: on the wall, on a desk, in switch cabinets, etc. Highlights- Made of white high-strength ABS plastic- Compatible with Keystone surface-mounted junction box with cover plate (art. no. TC16AUP and TC26AUP)
