shipping weight: 0.10 kg
Manufacturer: Maclean Brackets

Product Description

The Socket Splitter is a simple but useful device that allows you to control the switching on and off of all appliances powered by the electricity you connect to it. Place the splitter in an electrical socket, then connect the appliances whose switching on and off you wish to control. The distributor is activated by pressing the ON/OFF button. Turning the switch on (or off) turns on (or off) any electrical device connected to it. The built-in USB and USB-C ports let you charge phones, tablets, MP3/MP4 players and other devices - just plug in your device's cable. - Manufacturer: Maclean- Model: MCE336 E- Material: plastic- Case color: white- Number of sockets: 2- Socket type: E- Maximum load: 3680W- Rated current: 16A- Protection rating: IP20- Shock protection class: I- USB A and C output: 5V DC, 2.4A- Maclean MCE336 E- Socket outlet, splitter with 2 sockets and USB A/C 2.4A- Packaging- 2-socket grounded distributor- Child protection- Integrated ON/OFF switch- Maximum load: 3680W- USB A and C output: 5V DC, 2.4A- Degree of protection: IP20
