### Product Description

High-quality LED waistcoat with reflective strips that ensure the wearer is visible from almost 200 metres. The waistcoat offers more safety during outdoor activities such as cycling, jogging, hiking, etc. 2x 4LED - 2 lights and 3 modes: This running waistcoat has lights on both sides: white on the front, red on the back, so you can be seen from a 360-degree field of vision. All LED lights have 3 modes: steady light, fast flashing, slow flashing. Universal size: With four buckles for adjustment and an elasticated strap, the LED waistcoat can easily be worn over a T-shirt, sportswear, winter jacket or any other type of clothing. Compact dimensions: Thanks to its compact dimensions, the waistcoat can easily be stored in a trouser pocket once folded up. Details - Waterproof class: IPX2 - Reflective stripes - 2x 4LED lighting - 3x light modes: Steady light, fast flashing, slow flashing - Battery operated - CR2032 battery - Universal size - Adjustable straps - Lightweight waistcoat with reflective stripes and LED lighting provides better visibility and safety - 4x LED - both on the front and back of the waistcoat provide 360 degree visibility - Visible from almost 200m - Easy and comfortable fit - Universal size - Belt made of high quality, skin-friendly material - Ideal for outdoor activities such as cycling, jogging, Nordic walking, etc.
