from **16,73 EUR**

Item no.: 395279  
shipping weight: 0.20 kg  
Manufacturer: Delock

### Product Description

With this notebook lock from Navilock, various devices such as notebooks, projectors, monitors etc. can be secured at any location. The 1.8 m long steel cable with key lock can be easily tied around objects such as table legs, chairs or similar and thus secures the device against theft. The small design of the lock makes this security cable ideal for narrow netbooks. Kensington Slot compatible The notebook lock is compatible with the standard Kensington Slot. The Kensington slot is the 3 x 7 mm opening on the housing. On many devices, this opening is labelled with a lock symbol. HP Nano Slot compatible The special function of the lock, in which the locking mechanism (T-lock) adapts to the lock, also makes it compatible with the HP Nano Slot. The HP Nano Slot is the 2.5 x 6.0 mm opening on the housing. On many devices, this opening is labelled with a lock symbol. Locking the lock without a key The special mechanism of the notebook lock makes it possible to lock the lock without a key. The matching key is only required for unlocking.
