### Product Description

With this notebook lock from Navilock, two different devices such as notebooks, projectors, monitors etc. can be secured at any location. The 1.8 m long steel cable with key lock can be easily tied around objects such as a table leg, chair or similar and thus secures the device against theft. Kensington Slot compatible This notebook lock is compatible with the so-called Kensington Slot. The Kensington Slot is the 3 x 7 mm opening on the housing. This opening is marked with a lock symbol on many devices. The small design of the lock makes this security cable ideal for narrow netbooks.
