60613 - Delock cable gland with strain relief and bending protection 90 angled PG21 gr

from **6,86 EUR**

Item no.: 394827
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable gland by Delock provides a watertight seal to the housing for the feed-through of cables and electrical lines. The angled design is perfect for using the cable gland in installation areas with limited space. Additional protection thanks to strain relief The screw-on strain relief fixes the cable and protects it from excessive bending, e.g. in machine installations. The cable remains in its original position even in the event of vibrations and cannot fall out. IP68 dust and waterproof The cable gland also offers increased protection against dirt and moisture. Versatile The robust design is ideal for automation, the robotics industry and machine systems. Technical data- Thread size: PG21- Thread length: 10 mm- Width across flats: 33 mm- Protection rating: IP68 Cable diameter: min.: 13 mm max.: 18 mm- Operating temperature: -40 °C ~ 100 °C- Material: plastic- Colour: grey RAL7035 Package contents- Cable gland
