from **61,02 EUR**

Item no.: 394925
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

Description This industrial Ethernet cable by Delock can be used to connect various components with M12 connectors, e.g. for machine control or automation. With RJ45 panel jack The RJ45 jack can be attached with two screws, e.g. to a slot bracket or a housing with the corresponding cut-out. This makes it possible to install the RJ45 socket in an easily accessible position.
