Product Description

Practical TV stand - perfect for home, office, school and commercial use. The TV stand is suitable for TVs with a VESA standard up to max. 600x400 mm and a maximum weight of 40 kg. The stand is suitable for QLED, OLED, LED, LCD and plasma TVs with a screen diagonal of 49-70 inches. The set includes a complete assembly kit with screws and dowels, as well as an instruction manual, designed to make installation as quick and easy as possible. Thanks to the walnut-colored legs, the stand creates an elegant visual impression and harmonizes well with other furniture. The stand is securely and stably mounted on four legs. Thanks to the non-slip feet, the stand stays firmly in place.
