67039 - Delock Keystone holder 8 port tiltable for DIN rail or wall mounting

from **20,74 EUR**

Item no.: 394854
shipping weight: 0.20 kg
Manufacturer: Delock

Product Description

This bracket by Delock can be mounted on a 35 mm wide DIN rail or on the wall. The standardised dimensions make it suitable for easy snap-in mounting of 8 Keystone modules. With tiltable Keystone ports The tiltable Keystone ports allow the cables to be angled and routed in a space-saving manner, e.g. in control cabinets or distribution boards. With grounding connection The bracket also has a grounding connection to allow easy discharge of electrical currents. Note Due to the design, only Keystone modules up to max. 17.5 mm wide can be used. Keystone modules are not included in the scope of delivery. Technical data- Bracket for 35 mm top-hat rail- 8 Keystone ports with 19.2 x 14.9 mm- Keystone modules can be tilted 30°- Wall mounting- 2 x mounting holes- Mounting hole diameter: approx. 3.8 mm- Hole spacing: approx. 162.9 mm- With earthing connection- With port numbering- Operating temperature: -10 °C ~ 60 °C- Material: metal / plastic- Dimensions (LxWxH): approx. 154 x 78 x 55 mm Package contents- Keystone holder- Earthing cable- Mounting material
