from **13,68 EUR**

Item no.: 395186  
shipping weight: 0.10 kg  
Manufacturer: Delock

### Product Description

**Description**This USB cable by Delock enables the connection between devices with a USB Type-C™ port and a PC or notebook with a free USB Type-C™ port. The integrated E-Marker chipset supports the PD 3.0 function for faster charging with a charging power of up to 100 W. With a length of approx. 2 m, devices can also be easily connected over longer distances. **Display**A special feature of this cable is the power display, which shows the current charging power in watts and the PD status. The power on the display is shown in three digits. **Quality and performance**The two plug ends are a visual eye-catcher, as their transparent housing allows you to see inside the plugs. The cable is very hard-wearing and durable thanks to its robust textile sheathing and strong strain relief. The high wire cross-section of the power cable of 20 AWG also supports a stable power supply of up to 5 A. **Technical data**Connections: 1 x USB Type-C™ 2.0 plug 1 x USB Type-C™ 2.0 plug with power indicator- Chipset: E-Marker HUSB332A Wire cross-section: 30 AWG Data cable 20 AWG Power cable- USB Power Delivery (USB PD 3.0) support up to 100 watts (20 V / 5 A)- Cable diameter: approx. 3.2 mm- Data transfer rate up to 480 Mbps- Cable with textile sheath- Connectors with transparent housing- Colour: black- Length incl. connectors: approx. 2 m Package contents- Cable
