from **5,24 EUR**

Item no.: 394793
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable clip by Delock is a practical plastic accessory that makes it possible to bend cables by 90° without kinking or damaging them. The clip allows cables to be laid neatly and tidily behind furniture, on walls or in corners, which improves the appearance and clarity. Reusable A cable up to 6 mm in diameter can be inserted into the clip and then closed. The clip can be opened and closed several times, making it reusable. Different colours The clip is available in different colours, which makes it easier to adapt to different cables or enables colour coding. Technical data- Assorted colours (2 each of blue, yellow, green, red, black, white)- For cable diameters up to 6.0 mm- Smallest bending radius: approx. 25 mm- Material: PC plastic- Dimensions (LxWxH): approx. 25.7 x 15.7 x 11.6 mm Package contents- 12 x cable clips
