Product Description

Description This USB ribbon cable from Delock enables the connection between devices with a USB Type-C™ port and a PC or notebook with a free USB Type-C™ port. Visually, it impresses with its fine textile sheathing and connections with metal housing. Support for the USB Power Delivery standard means that connected devices can be supplied with power, up to 60 W (20 V / 3 A) is possible. Super flexible and flat The USB cable is ideal for connecting to hard-to-reach ports where space is limited. The material of the cable sheath is flexible and well protected by the textile sheathing.
