from **2,01 EUR**

Item no.: 395201
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

Description This telephone cable untangler from Delock is inserted between the telephone handset and the cable to prevent the cable from becoming tangled. The cable can be freely rotated 360° and does not get tangled. This prevents loose contacts and cable breaks on the cable. With connection cable The short connection cable integrates perfectly into the handset connection cord.
