from **7,32 EUR**

Item no.: 394848
shipping weight: 0.20 kg
Manufacturer: Delock

📄 Product Description

DescriptionThis empty housing by Delock is suitable for mounting 6 Keystone modules and can be used as a junction box on the wall or in housings. It offers a versatile solution for the flexible installation of Keystone modules in networks, data centres, residential and commercial environments.Dual design for fibre optic and networkThe dual design also offers a flexible solution for the organisation and protection of fibre optic connections and network connections.Winding device for fibre optic cablesThe built-in spool enables fibre optic cables to be wound up cleanly and safely. The device provides a structured cabling infrastructure and prevents kinks and damage to sensitive fibre optic cables.Detachable modulesThe mounting box has 3 module sections, each with 2 ports for the Keystone modules, which are detachable. It simplifies the installation. Technical data- 6 Keystone ports with 16.5 x 14.7 mm- With labelling fields- Removable modules- Operating temperature: -10 °C ~ 60 °C- Material: ABS- Colour: white- Dimensions (LxWxH): approx. 180 x 150 x 33 mmPackage contents- Keystone empty housing- 3 x transparent labelling labels- 4 x cable ties- 8 x screws- 12 x symbols
