

Item no.: 394649

67042 - 19 Keystone patch panel 24 port angled with relief rail black

from **34,17 EUR**

Item no.: 394649
shipping weight: 0.80 kg
Manufacturer: Delock

Product Description

This patch panel by Delock can be used for installation in a 19" network cabinet. The standardised dimensions make it suitable for easy snap-in installation of 24 Keystone modules. Keystone modules can be used at an angle. The Keystone modules can be used at an angle on one side on the right and on the other side on the left. The angled ports ensure improved cable management and prevent kinking damage when connecting patch cables. Cable fastening for optimum cable management. The cables can be fixed to the rear of the patch panel with cable ties to enable clear and organised cable routing. Note: Due to the narrow design, only Keystone modules up to max. 17.8 mm wide can be used. Technical data- For mounting in 19" network cabinet, 1 U- 24 Keystone ports angled with 19.2 x 14.9 mm- Material: metal / plastic- Colour: black- Dimensions (LxWxH): approx. 482.6 x 125.5 x 44.2 mm Package contents- 19" patch panel- Earthing cable- 12 x labelling labels- 25 x cable ties
