from **17,77 EUR**

Item no.: 394765
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This sturdy USB hub by Delock in a metal housing is connected to a computer, notebook or mobile device via the USB Type-A or USB-C™ port. It expands the computer by seven USB ports. Various USB devices, such as USB sticks, card readers, external housings, etc., can be connected. Extensive connection options Thanks to the specially designed adapter, the Delock hub can also be quickly and easily connected to the USB type A socket. This means it can be easily connected to new devices with a USB Type-C™ socket and older devices that only have a USB Type-A connection. The adapter is located directly on the cable and therefore cannot get lost. Small, stable and handy The Delock hub is particularly suitable for mobile use due to its small dimensions and stable housing. It can be easily stowed in a bag together with a notebook or tablet and can be used immediately if required. Note The power supply of the connected devices depends on the input power and the number of connected devices. Technical data- Connections: Host: 1 x USB 5 Gbps USB Type-C™ plug or 1 x USB 5 Gbps Type-A plug Device: 1 x USB 5 Gbps Type-A socket 6 x USB 2.0 Type-A socket- Data transfer rate up to 5 Gbps- 1 x LED display- Robust metal housing- Dimensions (LxWxH): approx. 165 x 17 x 7 mm- Kabellänge: ca. 50 cm- Farbe: grau- Plug & Play Systemvoraussetzungen- Chrome OS- Linux Kernel 5.15 oder höher- Mac OS 13.1 oder höher- Windows 10/10-64/11- iPad Air (4.
