

Item no.: 395293

67067 - RJ45 modular plug Cat.6A for self-assembly with robust cable plug housing

from **14,77 EUR**

Item no.: 395293
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This RJ45 plug by Delock is ideal for assembling installation cables. With cable connector housing and protective cap. The housing is ideal for use in control cabinets or distribution boxes for the feed-through of network cables. The protective cap protects the plug from damage and dirt. IP66 dust and waterproof. In combination with the Delock feed-through couplings 67061 and 67062, the housing offers increased protection against moisture, damage and dirt for outdoor cable connections. Technical data- RJ45 plug- Cat.6A specification- Mounting hole Ø: 25 mm- For solid and stranded conductors (26 - 22 AWG)- For cable diameters of 4.5 - 6.5 mm- Protection class: IP66- Shielded- 2-point contacting- Gold-plated contacts: 1.27 mm / 50 in- Material: die-cast zinc / plastic- Dimensions (LxD): approx. 67 x 25 mm Package contents- RJ45 plug- feed-through coupling- rubber seal- rubber holder- screw connection- threading aid- protective cap
