Product Description

Description This USB data and charging cable by Delock is compatible with iPhone™, iPad™ and iPod™ with 8 pin Apple Lightning™ connector. This means that the iPhone™, iPad™ or iPod™ can be charged and data transferred quickly and easily. Thanks to FastCharge support, compatible Apple devices can also be connected to a USB Type-C™ PD charger and charged particularly quickly. Slim cable Thanks to the small cable diameter, the cable is space-saving to transport and use. In addition, the slim connector housing enables a connection to devices that are fitted with a protective cover. MFi certified The MFi certification and the original Apple C94 connector guarantee full compatibility with all devices with a Lightning™ connection.
