Delock DisplayPort cable 16K 60 Hz 2 m silver metal

from **20,49 EUR**

Item no.: 394676
shipping weight: 0.20 kg
Manufacturer: Delock

Product Description

This cable by Delock is used to connect devices with a DisplayPort interface, such as monitors or televisions, to a PC or notebook. 16K resolution and HDR supportThe cable supports a maximum resolution of up to 16K @ 60 Hz (15360 x 8640 pixels) with DSC support. Thanks to HDR support, colours are displayed realistically with impressive depth, and the brightness and contrast of the image are optimally reproduced. Elegant metal housing and fabric sheathingThe cable is visually impressive with its elegant metal housing on the connectors and the fabric sheathing around the cable jacket.
