

Item no.: 394621

Delock 3.5 removable rack for 4 x M.2 NVMe SSD with OcuLink SFF-8612 connector

from **265,91 EUR**

Item no.: 394621
shipping weight: 0.60 kg
Manufacturer: Delock

Product Description

This sturdy metal removable frame by Delock can be installed in a 3.5" bay of a PC and provides four M.2 slots in 2280, 2260, 2242 or 2230 format. Quick replacement of the SSDs. The special mechanism allows the SSDs to be replaced quickly and easily. For example, data backups can be removed and stored in a safe place. Slot with lock and suspension. The removable frame has a key lock to ensure that only authorized persons can remove the hard drive. The sturdy metal support has springs on the top and bottom that absorb vibrations and therefore also support use in mobile devices. Note: Care must be taken to ensure that the slot is fully inserted, otherwise no connection to the SSD can be established.

Technical data
