from **50,56 EUR**

Item no.: 391316  
shipping weight: 2.20 kg  
Manufacturer: Cambium Networks

### Product Description

Product description Designed to protect the antenna from nature's elements, particularly preventing ice and snow buildup on the antenna. This radome is highly recommended for cold climates and highpoint elevations. Designed for a simple two-step installation, align the radome to the antenna and secure the radome using the supplied clips. Cambium Networks Radome, 60GHz cnWave V3000, 44.5 dBi antenna (2-pack), priced per unit
