MCTV-258 - Satellite converter, LNB, Multiroom, Octo, Premium

from **15,93 EUR**

Item no.: 376739
shipping weight: 0.70 kg
Manufacturer: Maclean Brackets

Product Description

High-quality, universal octo satellite converter (LNB). 8 full-range converters in one housing. Our converter is a high-quality device with a very low noise value (0.3 dB). It enables the reception of HD signals without any problems. The converter has the Maclean logo embossed on the housing, so you can be sure that you are buying an original product! It enables the connection of eight satellite receivers or four SAT receivers with recorder and two independent heads (LNB inputs). Very suitable for SAT multi-room systems (Canal+, Polsat Box). The new, even better version of the Premium converter, characterised by an improved design, higher performance and amplification of up to 60 dB, makes it possible to obtain a strong signal in all conditions. The gain of 60 dB guarantees a quality comparable to that of converters that are many times more expensive. The precise processing and high technical parameters result in a lower influence of atmospheric conditions on the quality of the received signal. Specifications- Input frequency: 10.70 - 12.75 Ghz- Noise factor: 0.3 dB- Gain: 60 dB- L.O. Generator lower frequency: 950-1950 Mhz- L.O. generator upper frequency: 1100-2150 Mhz generator top frequency: 1100-2150 Mhz- Output frequency: 9.75/10.6 Ghz- Operating temperature: -40/+70°C- Weatherproof The set contains- LNB octo satellite converter Maclean Premium MCTV-258- Manufacturer's packaging The octo converter with eight outputs can be used in various configurations, e.g.- eight independent receivers with one reception head- four SAT receivers with recorder The converter is compatible with all models of satellite receivers available on the Polish market - the ideal solution for users of digital platforms such as Polsat Box or Canal+. Features- Possibility of mounting up to 8 receivers- Gain: 60 dB- Mounting bracket diameter: 40 mm- Low power consumption- Original Maclean Premium product- Resistant to harsh weather conditions
