Product Description

Product information "YEELIGHT Ultra Slim Smart Ceiling Light C2001 Series ultra-flat ceiling light WLAN" Airy ceiling light for minimalist rooms This 25 mm ultra-flat ceiling light with a diameter of 235 mm blends harmoniously into your room and offers a minimalist style for lively designs. Water-resistant for more scenarios The luminaire's IP54 waterproof housing is suitable for dealing with moisture in the bathroom, kitchen, basement or even outdoors. Quick-release fixing With the patented quick-release fixing, you can install the luminaire quickly by carefully snapping in the easy-to-install luminaire base. Adjustable ceiling light for more scenarios The dimmable ceiling light fits in both small and large living spaces. The colour temperature is adjustable in a range of 2700K-6500K and helps to find the right light for the right environment. Cosy moonlight puts you to sleep The super-slim ceiling light supports the moonlight mode with ultra-low brightness. It is perfect for the night as it emits a soft, comfortable light that reduces glare and eye fatigue just like the moonlight. Dust and insect proof The dense ceiling light ensures efficient prevention of dust and insects. Features: - Ultra-flat ceiling light WLAN and Bluetooth - Power supply: 220-240-50/60Hz - Nominal power: 18W - Operating temperature: -20°C - 40°C - Colour temperature: 2700K-6500K - Operating humidity: 0-85% RH - IP rating: IP54 Waterproof - Wireless technology: BLE+ Wi-Fi 2.4 GHz
