

Item no.: 395390

## OMD5007H - 5.0-5.9GHz

from **66,55 EUR**

Item no.: 395390  
shipping weight: 0.20 kg  
Manufacturer: ITELITE

### Product Description

Antenna Key features- Resistant to weather conditions.- High quality materials.- Extension to antenna kit.- Lightweight. Antenna Applications- Wireless infrastructure- Wireless Routers  
Electrical Properties- Frequency range: 5-5.9 GHz- Gain: 7 dBi- Polarization: Horizontal- Beam width horizontal: 360 deg- Beam width vertical: 23 deg- VSWR: < 2- Impedance: 50 ohm  
Mechanical Properties- Connector: N-Type Male- RoHS Compliant: Yes  
Enclosure Properties- Material: polystyrene and aluminum- Colour: white- Outside dimensions: 170 x 50 mm- Weight: 200g- Temperature range: -40°C / +80°C
