📄 Product Description

Yale Smart Alarm Starter Kit LProduct information "Yale Smart Alarm Starter Kit L"The flexible alarm system for your entire property.The wireless Yale Smart Alarm Starter Kit is easy to set up and can be operated by anyone in the house. With the Yale Home app, you can monitor up to 4 areas of your home independently of each other. You can even control multiple alarm systems from different houses via one app. Install the sensors flexibly exactly where they are needed - without having to lay cables. The innovative Yale Horizon+ wireless technology offers you an exceptional wireless range of up to 1 km and a long-lasting battery life of up to 3 years. This means that not only your home is optimally secured, but also your entire property thanks to intelligent outdoor sensors. Expand your alarm system individually with up to 100 components. Yale Smart Alarm can either be operated using the versatile accessories such as the keypad, remote control or panic button - or you can use the free Yale Home app. You will be informed immediately via real-time notifications as soon as an alarm is triggered and you can flexibly control your alarm system from anywhere. The intelligent alarm system also has many professional features that provide you with maximum protection for your home, such as a backup module for uninterruptible power supply or a GSM module to alert you or others even if the power and internet fail.APP CONTROLReal-time monitoring with push notifications when the alarm sensors are triggered, as well as the ability to activate/deactivate your alarm from anywhere in the world with the Yale Home App.FULLY PERSONALISABLESet up to four individually configured areas around your property and expand your alarm system to up to 100 components.YALE HORIZON+ TECHNOLOGYThe innovative Yale Horizon+ wireless technology provides you with a unique wireless range of up to 1 km and an extremely long battery life for the sensors. This means that not only your house is optimally protected, but also your entire property including the garage, garden shed and all outbuildings.SUPPORT FOR MULTIPLE HOUSESSecure multiple properties such as your home, office and summer house via a single app without having to change your account.ADVANCED FUNCTIONS VIA SUBSCRIPTIONExtend the range of functions of your alarm system with professional additional features. For example, activate the integrated GSM module to be able to make calls or send text messages in the event of an alarm. Booking is optional via the free Yale Home app. All other standard services are of course available to you without connection costs.COMPATABILITYWorks seamlessly with other smart products from Yale and with partners such as the leading voice assistants Amazon Alexa and Google Home as well as smart lighting from Philips Hue. For example, as soon as you unlock your Yale Linus smart lock, the smart alarm can be automatically disarmed, your Yale smart cameras go into privacy mode and stop recording. A smart ecosystem for more convenience and security.Highlights:Multi-home support: Protect multiple properties from a single app.Perimeter security: Detect and prevent potential incidents before they even happen thanks to our range of additional outdoor devices.Shared access: You can give trusted people access to your Smart Alarm.Geofencing: Receive a reminder to arm the alarm when you leave the house.Supports Wi-Fi, Ethernet, Bluetooth and Cellular Backup (4G LTE)* (*Subscription required.)Additional services included in the subscription: Accompanying mobile communication, automatic call notification and professional monitoring.Scope of delivery: 1x Yale Smart Alarm Hub, 1x Yale Indoor Motion Detector, 1x Indoor Window Door Sensor, 1x Keypad, 1x Keyfob, 4x battery, 4x screws and adhesive pad for mounting, 1x power supply unit, 1x quick start guideFeatures:- Radio range: Horizon+ technology: RF with long range (1 km)- Radio frequency between Yale Hub and alarm devices: Horizon+ technology: two-way radio communication at 868Mhz- Model number: AL-ESTARTKIT1-1A-V1 / AL-SK1-1A-EU- Package contents:1x Yale Smart Alarm Hub- Up to 4 security zones, Combine up to 100 alarm devices, 100db siren and speaker- Product dimensions (HxWxD): 175mm x 175mm x 35.8mm- Product weight: 410g-Power solution: power supply via AC adapter (included)- Battery life: battery backup: up to 12 hours fully operational-Mounting solution: desktop or wall mounting (wall mounting plate and screws included)- 1x Indoor Window Door SensorDetects closing/opening of windows/doorsProduct dimensions (HxWxD): 68.5mm x29mm x 9.52mmProduct Weight: 35gPower Solution: 1x CR2045 Lithium BatteryBattery Life: Up to 4 yearsMounting Solution: Screws and 3M tape (included)1x Yale Indoor Motion DetectorChoice Bear Pet Immunity, Choice Bear Sensitivity, 12m Detection RangeProduct Dimensions (HxWxD): 121.75mmx 71.75mm x 55mmProduct weight: 275gPower solution: 1x CR123A lithium batteryBattery life: Up to 3 yearsMounting solution: Screws and 3M tape (included)1x KeypadFull arming (Alarm Away), disarming or partial arming (Alarm Home), area selection, panic function, backlight automatically lights up when you approachProduct dimensions (HxWxD): 122mm x 64mm x 22.49mmProduct weight: 115gPower supply solution: 1x CR123A lithium batteryBattery life: Up to 3 yearsMounting solution: Desk or wall mounting (wall mounting plate included)1x KeyfobFull arming (Alarm Away), disarming or partial arming (Alarm Home), key lock (to prevent accidental key presses), panic function, LED feedbackProduct dimensions (HxWxD): 106mm x 36mmx 12mmProduct weight: 30gPower solution: 1x CR123A lithium batteryBattery life: Up to 3 years
