

Item no.: 390124

US4 - T-0X cabinet for power supply unit and four units

from **110,79 EUR**

Item no.: 390124
shipping weight: 1.10 kg
Manufacturer: Teledes

Product Description

Wall bracket For mounting multiple T12/T.0X modules Rack with 5U for wall mounting, which can accommodate small headends and a power supply unit (1x power supply unit + 4x T.0X). To finalise the installation and increase security, a protective bracket can be installed to prevent the CAM from being removed.
