

Item no.: 396566

42025 - USB 40 Gbps housing for 1 x M.2 NVMe SSD in gaming style with LED and ventilation

from **192,49 EUR**

Item no.: 396566
shipping weight: 0.20 kg
Manufacturer: Delock

Product Description

This enclosure by Delock enables the installation of a M.2 PCIe NVMe SSD in 2280 format and can be connected to a PC or notebook with Thunderbolt™ 3, Thunderbolt™ 4 or USB-C™ interface. USB 40 Gbps Due to the compatibility of USB 40 Gbps, the Delock enclosure can be connected to Thunderbolt™ 3 and 4 ports, as well as to all USB Type-C™ ports. The maximum data transfer rate depends on the host device. LED lighting In addition to the power LED, there is an LED light bar on the side. This lights up in pulsating blue light when the enclosure is connected to a USB interface and in coloured light when connected to a Thunderbolt™ interface. SSD installation without tools The special feature of this enclosure is that no tools are required to install the M.2 SSD does not require any tools. Active cooling via fan A quiet fan in the lower section of the enclosure ensures sufficient cooling of the SSDs used, so that operation works without any problems even when the enclosure is closed. The fan can be switched on and off. Note Due to the USB to NVMe controller, the data transfer rate on a USB Gen 2x2 connection is only 10 Gbps. Technical data - External connection: 1 x USB 40 Gbps USB Type-C™ socket - Internal connection: 1 x M.2 Key M Slot - Chipset: Intel JHL7440, Realtek RTL9210B - Supports M.2 modules in 2280 format with Key M or Key B+M on PCIe (NVMe) basis - Maximum height of components on the module: 1.5 mm, use of double-sided modules possible - Supports NVMe Express (NVMe) - Data transfer rate up to 40 Gbps - 1 x LED indicator for power - LED light bar indicates whether connected to USB or Thunderbolt™ port - Data transfer rate: 40 Gbps - On / off button for housing and fan - Metal housing - Built-in 30 mm fan - Hot plug, plug & play - Dimensions (LxWxH): approx. 117 x 56 x 16 mm Supported operating system - Windows 10 32-bit - Windows 10 64-bit - Android 10.0 or higher - iPad Air (4th generation) or higher - Chrome OS 90.0 or higher - Windows 11 - Mac OS 12.4 or higher - Linux Kernel 5.13 or higher Package contents - External housing M.2 - Thunderbolt™ 4 cable, length approx. 50 cm - 1 x thermal pad - 2 x rubber nipples - User manual Packaging - Retail box
