from **83,68 EUR**

Item no.: 376813  
shipping weight: 13.00 kg  
Manufacturer: Maclean Brackets

### Product Description

Product description: Technical Specifications: The screens have a special arm that eliminates the trapezoidal effect. They are equipped with an ergonomic carrying handle and height adjustment. The elegant white cassette is made of metal, which increases the durability of the screen by protecting it against damage and dust. The whole is based on a foldable tripod that is easy to store vertically. Resistance to frequent moving and folding. The tripod legs are finished with rubber pads. Spring-driven winding mechanism, characterized by light and smooth operation. Adjusting the height of the bottom and top edges. Possibility to use 4:3, 16:9 image format. Surface type: Matt White. Reflectivity 1.0 G. Viewing angle 160°.
