### Product Description

GentleBOX is a complete and ideal outdoor box for AP, RouterBOARD and other electronics. Pole mounting ! With GentleBOX you forget about measuring and drilling! Everything is ready, including the mounting holes. With GentleBOX, you no longer have to worry about cable glands and fixing materials! Everything is already included... With GentleBOX there is no more twisting of cable glands when tightening and loosening the cable - the grommets secure the grommets against twisting. Grooves and holes are provided in the GentleBOX for easy mounting of the RouterBOARD or other electronics, including screws and plastic posts.
