Description More data Product information "BagID Samsung BagID 2 ST Find with Fastening Sleeve Vegan Leather Black Matt" Skip check-in machines and paper labels Catching a flight? With BagID you have your own contactless check-in machine! Forget queuing. Enter your baggage via your mobile phone and go straight to the baggage check-in. By using a digital baggage tag like BagID 2, you can enjoy a paperless journey and help reduce the large amount of silicone-coated paper tags that are printed every year. BagID 2 also reduces the risk of delayed or lost luggage due to its easy readability and secure mounting. Track your belongings BagID 2 makes it easy to keep track of your belongings. Attach it to your luggage, your golf bag, your rucksack, your dog or whatever. You can travel with the peace of mind that you can find your luggage anywhere on your journey. Travelling with hand luggage only? Don't let your belongings travel alone when you're on a plane, train, in the lounge or at your favourite restaurant. Tracking works with Samsung SmartThings Find.

Personalisation Choose your favourite case and personalise the background with art by Inzpero and your own text - make it personal! Robust design BagID has been developed in close cooperation with airlines and airports and is designed to withstand shocks, rain and rough baggage handling. Battery life: - Up to 2 years without tracking - Up to 1 year when used with tracking - The battery is rechargeable with the supplied USB-C cable

Scope of delivery: BagID 2, mounting case, USB-C cable

Note: We are continuously working on gaining more airlines as BagID partners. These currently include Lufthansa, Swiss, Austrian and Brussels Airlines. A subscription is required for some services in the BagID app. All subscriptions include a 30-day free trial. BagID 2 comes with a subscription that starts at NOK 39 per use (24 hours) or NOK 299 per year. We replace lost devices when... If you use our padlock and have activated tracking, we will replace your device free of charge. Information required: - Picture of your correctly attached BagID with mounting case - TSA padlock used (attached to both the BagID and your bag) - At least 30% battery capacity remaining - Screenshot of activated tracking
