from **17,25 EUR**

Item no.: 382189
shipping weight: 0.80 kg
Manufacturer: Maclean Brackets

Product Description

The MC-466 bike rack is a practical and convenient solution for hanging your bike on the wall. This is the ideal option for people who have limited space in their house, garage or flat and want to store their bike in a safe and easily accessible place. It is compatible with bikes with a straight top tube (with a diameter of less than 55 mm) and handlebars up to 500 mm wide. The bike rack is attached to the wall using the wall plugs supplied, which can easily support a bike weighing up to 25 kg. The wooden shelf allows you to store small items such as keys or bike accessories. The included strap for the front wheel prevents the front wheel from slipping or rocking and protects the walls and other objects from damage or soiling.- Manufacturer: Maclean- Model: MC-466- Suitable for bikes with straight top tube (diameter less than 55 mm) and handlebar width up to 500 mm- Maximum load: 25kg- Construction material: metal, wood- Colour: white- Maclean MC-466 wall-mounted bike rack- Mounting accessories- Mounting instructions- Manufacturer's packaging- Allows you to hang your bike on the wall using the top frame tube- Ideal for storing your bike in the garage, house, flat or basement- Minimises the space required to store your bike- Fits most bike types and sizes- Built-in wooden shelf- Maximum load: 25kg
