## POE380S - Gigabit PoE injector, 802.3af/at/bt, 90 W

from **82,71 EUR**

Item no.: 392218  
shipping weight: 1.10 kg  
Manufacturer: TP-LINK

### Product Description

The Omada 10G PoE++ injector allows you to transmit data and power your devices with a single cable. It has 1 LAN port with 10Gbps speed as output with PoE and 1 LAN port with 10Gbps speed for the input connection. It is fully compliant with 802.3bt/at/af standards and delivers up to 90W of power for the power supply. Data and power are transmitted over the same cable, making installation easier. The steel construction makes the adapter robust enough. Key features: -Compliant with 802.3bt/at/af standards. -Power output of up to 90 W. - Steel construction for durability. Steel construction for durability. Technical parameters Connections and interfaces Ethernet speed [Mb/s]: 1000/10000 Gigabit LAN: Yes Power Output power / 1Port [W]: 90 PoE-Out standards: 802.3btPoE outputs: 1 Output voltage [V]: 230V AC Physical properties LED display: Yes Operating temperature [°C]: 0 to 45 Width [mm]: 155 Height [mm]: 42 Depth [mm]: 70
