## MC1400 - - 14-Slot chassis for media convertors, v2

from **192,53 EUR**

Item no.: 392222  
shipping weight: 10.00 kg  
Manufacturer: TP-LINK

### Product Description

The TL-MC1400 14-Slot Rack-mount Chassis is specially designed to accommodate 14 TP-LINK's Media Converters for central power supply, saving space and power cables. Continuous operation is of great importance to fiber communication, so the chassis is equipped with optional redundant power supply and Hot-Swapping function which allows installing/removing the converter/power supply without powering off the chassis. Moreover, to stabilize the performance and extend the lifetime, two cooling fans are installed internally. Together with MC series Gigabit / Fast Ethernet media converters, TL-MC1400 is the ideal solution for your media conversion network. Key features- 14 slots for media converters TL-MCXXX version 2.0 and above- Powering: 14x 9V / 0.6A- Hot-Swapping redundant power source enabled- Two cooling fans are installed internally- 19" rackmount chassis in 2U height Package contains- Chassis with one power source- Power cord Power- Power via connector/terminal: 230V AC Physical characteristics- "U" positions: 2- Fans: (2) 40 x 40 mm- Operating temperature [°C]: 0 up to 40- Width [mm]: 482- Height [mm]: 86- Depth [mm]: 358
