SX3008F - LAN networks Switches TL- JetStream Switch

from **267,23 EUR**

Item no.: 392205
shipping weight: 2.60 kg
Manufacturer: TP-LINK

Product Description

In addition to the classic stand-alone installation, the JetStream series now also supports centralised management via the Omada controller. This 10 Gigabit all-optical TL-SX3008F web-based, metal-controlled model in a 19" rack-mount chassis offers quiet operation without a fan, 8 SFP+ ports at 1/10Gbps and a serial port (via USB or RS-232 with RJ45). The switch is an affordable network solution for a smaller optical network for medium-sized companies or ISP providers. Key features - (8) SFP+ ports (1/10Gbps) - Mounting in a 19" rack - Quiet operation without fan - Web management + administration via Omada Controller - Low power consumption, max. 15 W Omada Controller The Omada Software Defined Networking (SDN) platform integrates network devices such as access points, switches and gateway routers and offers 100% centralised cloud management. Omada creates a highly scalable network, including control from a single interface. It provides seamless wireless and wired connectivity, ideal for use in hospitality, education, retail, offices and more. Package contents - Device - Power cable - 19" rack brackets Technical parameters: Ports and interfaces - Optical interfaces: (8) 1/10Gbps - Serial port: Micro-USB, RJ45 Power supply - Power type: Mains power (230V) - Maximum power consumption [W]: 15.4 - Power supply via plug/terminal: 230V AC Physical properties - Design: Rackmount - Fan: Without fan - Housing design: Metal - Operating temperature [°C]: 0 to 45 - Width [mm]: 440 - Height [mm]: 44 - Depth [mm]: 180 General - Networking capacity [Gbps]: 160 - MAC address table: 32000 - Jumbo frame [bytes]: 9000 - Packet forwarding rate [Mpps]: 119 Software - Web management: Yes - Management: Web management, Omada controller - Functions: VLAN, QoS, DHCP snooping - Default IP address: 192.168.0.1 - Default login and password: admin / -
