Product Description

The Yealink UH37 is a wired headset for professional use. It has a 35 mm speaker and offers excellent sound for an exceptional audio experience for calls and music. The noise-cancelling technology of the dual microphone enables clearer conversations, and the oval ear cushions made of noise-isolating foam provide excellent passive noise cancellation. The headset is ultra-lightweight and extremely comfortable, with a skin-friendly leather headband and ear cushions for all-day comfort. Whether you're working in the office or at home, the UH37 allows you to focus on your work and increase your productivity. It works seamlessly with major UC platforms and connects to Yealink IP phones as standard. Highlights- Wired on-ear mono headset- First-class audio quality for calls and music- Dual microphone with noise cancellation- Skin-friendly and soft headband & ear cushions- Highly visible BusyLight during a call thanks to red LEDs- Microsoft Teams certified for effective teamwork Scope of delivery- Yealink UH37, carrying case, quick guide
