Product Description

The Yealink UH35 USB wired headset is designed for professional use and features a 35mm speaker with excellent sound that provides a first-class listening experience when making calls and listening to music. Its dual microphones with advanced noise-cancelling technology ensure clear conversations, while the oval-shaped noise-isolating foam ear cushions provide effective passive noise cancellation. Designed for comfort and lightness, the headset features a leather headband and skin-friendly ear cushions, making it ideal for extended use. Perfect for office and remote working environments, the UH35 helps to maintain concentration and increase productivity. It can work seamlessly with major UC platforms and integrates natively with Yealink IP phones. Highlights- Wired on-ear mono headset- First-class audio quality for calls and music- Dual microphone with noise cancellation- Made of high-quality plastic and reinforced with a metal frame- Comfortable to wear thanks to skin-friendly materials and soft memory foam- Highly visible busy light during a call thanks to red LEDs- Microsoft Teams certified for effective teamwork Scope of delivery- Yealink UH35, carrying case, quick start guide
