Product Description

The Yealink MP58 IP phone is based on the Android 9.0 operating system and offers an excellent user experience for Microsoft Teams. Thanks to the magnetic handset, the adjustable 17.8 cm (7-inch) touch screen and the dedicated Teams button, it enables high-quality collaboration. The MP58 can support the band-new Bluetooth wireless handset, which allows the user to leave the desk and continue talking. It provides crystal-clear voice communication, but also flexibility for executives and professionals. Highlights- Certified for Microsoft Teams and Skype for Business- Bluetooth 4.2 and dual band Wi-Fi integrated- Integrated Teams button- Optimal HD audio, Yealink Noise Proof Technology- Capacitive 17.8 cm (7-inch, 1024 x 600) touchscreen- Dual port Gigabit Ethernet with PoE- Wall mounting possible Scope of delivery Yealink MP58 IP Phone, wired handset, Ethernet cable (2 m CAT5E-FTP cable), stand, quick start guide
