

Item no.: 399816

20932 - Key safe for storing keys with combination lock to the wall

from **37,49 EUR**

Item no.: 399816
shipping weight: 0.50 kg
Manufacturer: Delock

Product Description

This Delock key safe is suitable for the secure storage of keys and other valuables. Suitable for wall mounting. For example, when using rented properties such as holiday flats, the key safe can be installed in a secure location so that the user can remove the keys stored there without the landlord having to be present. Numerical code with LED. The safe is locked with a 4-digit numerical code and protected from the weather and dirt thanks to a flap. Thanks to the LED lighting, the numerical code is clearly visible even in the dark. Note: Suitable for keys up to 8 cm in length.
