from **55,82 EUR**

Item no.: 387993
shipping weight: 0.20 kg
Manufacturer: Eve Systems

Product Description

Eve Motion (MatteroverThread)- Item no.: EV-20EBY9901- EAN: 4260195392359- Manufacturer: Eve- Manufacturer no.: 20EBY9901- Wireless technology: Matter over ThreadProduct information "Eve Motion (Matter over Thread)"Control lights, devices and entire scenes via motion with Eve Motion and receive a notification as soon as something is going on in your home. Eve Motion combines the future-proof Matter standard with the latest Thread network technology without any tracking. For a versatile and robust smart home that protects your privacy at all times.Eve Motion offers outstanding ease of use and maximum security. Let the whole family control your home, whether with an iPhone, an Android device or voice assistants such as Alexa, Siri and Google Assistant. Eve Motion is easy to set up in just a few steps via the app or voice assistant of your favourite platform. The only other thing you need is a suitable control centre for the platform(s) of your choice.Your privacy is the greatest asset of all Eve devices: Eve will never access, store or process your personal data. Eve has no cloud or bridge. So you can fully rely on the privacy policy of your chosen platform.Features:- Control lights or devices via motion and receive notifications as soon as motion is detected (available on selected platforms).- Place the sensor anywhere indoors or outdoors thanks to wireless battery operation and IPX3 water resistance.- Monitor large areas thanks to 120° field of view and up to 9 m detection range.- Eve Motion supports Matter - so you can control your home seamlessly via smartphones and voice assistants from the leading platforms.- Ready to use immediately thanks to quick and easy setup, requires control centre (see evehome.com/hub)- Apple Home users can use the Eve app for iPhone and iPad to view logs of detected movements, adjust sensitivity individually and create brightness-dependent automations. - State-of-the-art Thread technology for a robust smart home- Strictest data protection: no Eve cloud, no registration and no tracking. Local processes and communication without cloud dependency.Further details:- Item dimensions (WxHxL) 65 x 65 x 35 mm- Packaging dimensions (WxHxL) 125 x 125 x 65 mm- Item weight (net) 0.067 kg- Item weight (gross) 0.207 kg- Battery AAA- WEEE - CE - IP class IP20
