FC111B-20 - 10/100 Mbps WDM media converter

from **17,78 EUR**

Item no.: 392230
shipping weight: 0.40 kg
Manufacturer: TP-LINK

Product Description

TL-FC111B-20 is an optical-to-metal WDM converter from RJ45 to SC optical port. The maximum throughput is 100Mbps FD, which is also adapted to the Ethernet port that can communicate with your device at 10/100Mbps speed. The converter can be used up to a distance of 20km with a singlemode (9/125um) optical fibre with an SC connector. The wavelength is 1310 / 1550nm (Tx/Rx) and for the correct functionality it is necessary to have on the opposite side the model TL-FC111A-20 which has opposite Tx and Rx than this model. Package contains- Media converter- Power adapter 5V/0.6A
Technical parameters
Optics- For cable type: Single Mode- Transmission speed: 100 Mbps- Wavelength - Tx/Rx [nm]: 1310 / 1550- Distance [km]: 20
Connectors and interfaces- Optical connectors: (1) SC- LAN speed: (1) 10/100Mbps- Optical interfaces: (1) 100Mbps
Power supply- Power supply type: DC connection- Power supply via connection/terminal: 5V / 0.6A
Physical properties- Operating temperature [°C]: 0 to 50- Width [mm]: 73- Height [mm]: 27- Depth [mm]: 95
