Product Description

VIGI IP camera C540V(4-12mm) with a resolution of 4 MP (2560 X 1440) with 4-12mm lens and 1/3" sensor with a sensitivity of 0.005 lux captures details in full colour for 24 hours, even in pitch-black conditions, thanks to the large aperture lens, high-sensitivity sensor and 4x additional light. Key features- 4MP Super-High Definition: 4 megapixels provide more than enough pixels to capture even the most inconspicuous details.- 24-hour full colour: Captures details in full colour for 24 hours, even in pitch-black conditions, thanks to the large aperture lens, high-sensitivity sensor and 4x additional light. 24-hour full colour: Captures details in full colour for 24 hours, even in complete darkness, thanks to a large aperture lens, high-sensitivity sensor and 4x extra light.- 3x zoom: Enables closer inspection of objects in wide areas.- Instant zoom: Zooming is instant, with no delays or image shifts.- People and vehicle classification: Distinguishes people and vehicles from other objects, so you receive more accurate event notifications.- Smart detection: Receive notifications and alerts. Smart Detection: Receive notifications and check feeds when someone crosses a boundary, enters an area you specify, obstructs the camera, removes or leaves objects or enters a specific area.- Powerful pan and tilt: Custom patrol routes and automatic tracking provide smart options to monitor key areas and improve security on your property.- Active Defence: Instantly alert potential intruders of unusual events with sound and light.- Two-way audio: Intercom support lets you have two-way conversations while monitoring your transmission from anywhere.- H.265+: Compresses video size without sacrificing video quality, reducing network load and saving storage space.- IP66 Waterproof: Reliable IP66 for stable outdoor performance. Technical parameters Camera WDR: Digital Zoom (optical): 3x Lens type: Varifocal - motorised Illumination: IR, white light Illumination range [m]: 30 Viewing angle [°]: 84 Day/night mode: Colour Minimum illuminance [lux]: 0.005 Image sensor [1/3"]: 1/3 Pan and tilt: Pan: 0° ~ 332°; Tilt: 0° ~ 120° Image Resolution: 4MP Max.
