from **229,54 EUR**

Item no.: 396431
shipping weight: 1.10 kg
Manufacturer: Eve Systems

📄 Product Description

Retrofit kit for existing roller blindsRetrofit existing roller blinds and enjoy the convenience of smart shading. Control them via app, voice command or on the move. Let them open and close the blinds automatically to suit your daily routine and create scenes for greater convenience and energy efficiency.The award-winning Eve MotionBlinds upgrade kit makes retrofitting roller blinds effortless and sustainable. The Eve MotionBlinds motor is pushed into the tube of the existing roller blind, replacing the existing chain mechanism. The brackets supplied ensure quick and stable wall mounting. Benefit from a fast and robust smart home thanks to Thread technology - all you need is a compatible control centre. Eve MotionBlinds Upgrade Kit supports future-proof Matter technology, which allows the whole family to control the home - whether with an iPhone, an Android device or voice assistants such as Alexa, Siri and Google Assistant.The greatest asset of all Eve devices is the protection of privacy: Eve does not collect any personal data and has no cloud. Local processes and direct communication between Eve device and iPhone, iPad or control centre, without a bridge or dependence on a cloud.Package contents:Eve MotionBlinds motor with integrated battery and pull cord, retrofit crown, drive plug and end piece (each with shaft adapter), mechanism set with cover in white, quick guideFeatures:-Charging connection: 5V 1A USB-C-Integrated battery -Radio technology: Matter over Thread-Application area: indoors-Minimum width of blind: 680 mm-Outer diameter of tube (without fabric): Ø 38-51 mm-Speed: 28 revolutions per minute-Torque: 1.1 NMFurther data-Article dimensions (WxHxL) 630 x 50 x 50 mm-Packaging dimensions (WxHxL) 776 x 76 x 76 mm-Article weight (net) 0.614 kg-Article weight (gross) 1.101 kg-WEEE -CE -IP class IP20
