## AQAZCH-H03 - Camera Hub G3 EU (Zigbee)

from **120,99 EUR**

Item no.: 396997  
shipping weight: 0.60 kg  
Manufacturer: Aqara

### Product Description

Aqara Camera Hub G3 EU (Zigbee) Item no.: AQAZCH-H03 EAN: 6970504214873 Manufacturer: Aqara Manufacturer no.: CH-H03 Radio technology: Zigbee : CH-H03 Wireless technology: Zigbee Product information "Aqara Camera Hub G3 EU (Zigbee)" The Aqara Camera Hub G3 impresses with its all-round compatibility. The device supports HomeKit Secure Video, Amazon Alexa and Google Home and ensures that the connected compatible devices support Home Kit, Alexa, Google Assistant and more. Local AI-powered recognition Thanks to a powerful processor with NPU, the Camera Hub G3 is able to recognise faces, gestures and pets locally, which can be used for notifications and home automation. 2K 1296p resolution The Camera Hub G3 features a high-resolution sensor with 2304 x 1296 pixels, which ensures crystal clear image quality full of details. Type-C connector with video output The Camera Hub G3 uses the most advanced and universal connector that supports high-definition video output with low latency via the UVC protocol. Built-in Zigbee 3.0 hub The Camera Hub G3 is not only a camera, but also an embedded smart home hub. It can connect and control up to 128 compatible devices. Local infrared control The G3 has a built-in IR controller that can make your existing infrared-compatible devices smart and support local automations. In addition, all IR automations are local and run even when there is no internet connection. 360° viewing angle The 110° wide-angle lens in combination with the pan and tilt motors provides a rotation angle of up to 360°, supports automatic driving and face and animal tracking. Dual-band Wi-Fi with 2.4/5 GHz No more worries about network type compatibility: the Camera Hub G3 supports the two most popular Wi-Fi frequencies and uses them to connect your Aqara devices to the network. Features: - Wireless protocol: Zigbee 3.0 IEEE 802.15.4, Wi-Fi IEEE 802.11 b/g/n/a/ac 2.4/5 GHz - Local storage: microSD card (not included). CLASS 4 or higher is supported, up to 128 GB memory. - Operating temperature: -10°C - 40°C - Humidity: 0 - 95% RH non-condensing - Ports: USB C - Power supply: 5V 2 A - Power consumption: 10W - Video resolution: 2k 2304x1296p - Viewing angle: 110° - Pan/tilt angle: Horizontal 340°, Vertical 45° (up 30°, down 15°) - Local memory: Micro SD-Card CLASS 4 128GB Further data: - Article dimensions (WxHxL) 85.1 x 123.4 x 86.1 mm - Packaging dimensions (WxHxL) 94 x 91 x 209 mm - Article weight (net) 0.510 Kg - Article weight (gross) 0.557 Kg - WEEE X-CE X-IP class IP20 - Quantity per shipping package 30
