Product Description

Razor-sharp video See every detail without distortion and razor-sharp thanks to powerful 4K HDR video. Enhanced night vision in colour 4K night vision in full colour captures every vivid detail even on the darkest nights. Wide field of view Super-wide 180° field of view to ensure your property is secure wherever you are. Noise cancellation Our special audio technology reduces background noise such as wind and traffic, so you can speak to your visitors as clearly as if you were there. Zoom & tracking The automatic digital zoom function detects and magnifies activity, and follows movement so you can keep a close eye on every action. Dual motion sensor Our advanced sensor system enables our devices to measure and detect movement from different angles. This makes them extremely sensitive to recognise any action as soon as it happens, no matter how fast it happens. Features- Maximum video resolution: 4K- Image sensor: 8 megapixels- Video functions: Auto Track & Zoom, HDR- Lens field of view: 180° diagonal- Night vision: high-performance infrared LEDs (850 nm) with IR cut filter- Digital zoom: 12x- Battery life: Up to 6 months Further data- Item dimensions (WxHxL): 52 x 80 x 85 mm- Packaging dimensions (WxHxL): 150 x 130 x 100 mm- Item weight (net): 0.300 Kg- Item weight (gross): 0.703 Kg- Plug type: Type C | CEE 7/16 - Euro plug- WEEE: yes- CE: yes- IP class: IP20
