

Item no.: 389783

H30EUP-HEVC - H30Evolution Option Upgrade HEVC265

from **252,80 EUR**

Item no.: 389783
shipping weight: 0.00 kg
Manufacturer: Televes

Product Description

This functionality supports the HEVC H.265 compression format and enables the image to be displayed on the mobile device with a maximum Full HD resolution (1920 x 1080). The display always takes place on the smartphone, tablet or PC (multiscreen mode) as long as this hardware is H.265-compatible.
