

Item no.: NB-OD3

NB-OD3 - Offsetdish 3 GHz, 22 dBi Antenna

27,78 EUR

Item no.: NB-OD3
shipping weight: 5.20 kg
Manufacturer: Ubiquiti

Product Description

is a pioneer in the manufacture of all-in-one CPE client devices. The featured NanoBridge is a combination of AirMax with InnerFeed® technology, resulting in a high-performance wireless networking device with a range of over 30 km and a real-world capacity of over 100 Mbps. High performance, low price and solid build quality make the NanoBridge NBM3 and NB-OD3 models extremely versatile and have a wide range of applications. The OFFSETDISH 3 GHz model includes a 22 dBi 3 GHz antenna, 3 GHz radio is not included.

- 3 GHz frequency
- Capacity 150+ Mbps
- Range 30+ km
- Gain 21.5-22.5 dBi
- Durable construction
- Two modes
- airMax protocol
